December 15, 2009

Genoa Community Ice Rink Opens for Season -- Downtown Genoa's outdoor ice rink is back bigger and better thanks to the work of volunteers and a generous donation by Citizen's First National Bank. Expanded by 1,500 square feet thanks to a enlarged frame and a 50-foot by 100-foot quality liner, the 5,000 square foot rink on North Genoa Street is open 'til 9:00 p.m. daily, weather permitting. Above (from left), Mirna Swineheart, Assistant Vice President, Citizens First Nation Bank, joins Mim Evans, Executive Director, Genoa Main Street, Inc. and board members and volunteers Arlene Erickson, Mike Ross, David Glaum, Gene Bradford and Mike Haines in hoisting the pennants declaring the rink open. There is no charge to use the rink. In addition, a free skate exchange has been established by Genoa Main Street and Citizens. You may stop by the bank's lobby to drop off or pick up skates. For more information, call 815-784-6961, or go to www.genoamainstreet.org.
