## **Tractor Buffs to Show off in Genoa**

### **Farm Comes to Town for New Summer Event**

Polish up those tractors for a trip to Genoa on Saturday, July 23, for the debut of Summer Farm Fest and Back Roads Tractor Run. Lest you think this event is for farmers only, there also will also be day long live entertainment that will get everyone dancing, games and contests to amuse the kids, unique crafters and local fresh produce, a fascinating live auction of historical items and free outdoor showing of the movie Yogi Bear, at dusk. Pets can even compete for prizes by entering the pet costume contest.

“The tractor portion of the event will be fun for everyone,” said David Glaum, tractor run organizer. “The drivers will love the new scenic route for the 20 mile run. The drivers also can compete in tractor games and contests and a there will be a parade of tractors through downtown at 3 p.m. Kids will love the chance to touch the tractors and see them in action.”

Tractor owners can register their tractors now. Owners may choose to participate in the run or just exhibit their tractors. The registration fee is \$25 and includes participation in all events, lunch, and a cap and commemorative button. Register by going to the Genoa Main Street, Inc. Web site at [genoamainstreet.org](http://genoamainstreet.org), calling the office at 815 784-6961 or emailing [genoamainstreet@atcyber.net](mailto:genoamainstreet@atcyber.net).
